**OFFICE OF LEGISLATIVE COUNSEL**

**Wednesday - 27 September 1961**

25X1 1. [ ] [ ] Medical Staff,  
called again to express his interest in the possibility of legislation to  
provide at the Government's expense malpractice insurance for Govern-  
ment doctors. He understands that this subject is again under discussion  
perhaps in the Civil Service Commission. I advised [ ] that  
we would look into this and be in touch with him. 25X1

25X1 [ ] called again later in the day and said Personnel had  
forwarded to him some minutes from a 7 September meeting of the  
Interagency Advisory Group (sponsored by the Civil Service Commission).  
One item in these minutes indicates that the Commission has asked  
members of the group to contact Mr. Harold H. Leich, of the Commission,  
if they have any strong feelings for or against the desirability of legis-  
lation to protect Federal medical personnel from malpractice suits.

25X1 2. [ ] Called Ben Mandel, of the Senate  
Internal Security Subcommittee staff, and advised him we had no  
25X1 current information on [ ] about whom he had made  
inquiry.
